Schumacherstr. 6

Dear Bob:

We send you and your family our best wishes. I am sorry that I have not written you before now but I am sure you can understand the pressing nature of our work as with yours. We have not been unmindful of the sacrifices that you and your family are making and want you to know that we are genuinely concerned about the work you are doing.

Our financial situation here is of such a nature that any immediate help to the work and is precluded, however, I hope you will keep us informed and that later in the year we will be in a position to help. I am enclosing a copy of our 1961 budget. You will notice under mission work a special fund of \$1700. I might indicate that \$750 of that fund has already been allocated. We are also laboring with a \$560 weekly average while operating on a \$613 weekly budget.

Possibly this information can be of service to you and in a future letter, addressed to the Elders you can formally request part of this special fund. We send you our prayers and best wishes for your continued health and success.

Fraternally yours,

John Allen Chalk
